- b. The Client must have opened an account with the objective of Smart Deposit with Finax (hereinafter referred to as "Smart Deposit"), i.e. passed the proper verification no later than on the last day of the Campaign Period, i.e. 31.10.2023 (proper verification of identity, including both the identity document and the contact details in the form and manner required by the Broker).
- c. The minimum amount of net deposits that must be credited to a particular Smart Deposit asset account during the Campaign Period is EUR 5,000.00, inclusive, i.e. all deposits received into a given Smart Deposit asset account during the Campaign Period, after deducting any withdrawals made on that Smart Deposit account during the Campaign Period, must be in the amount of at least EUR 5,000.00 (hereinafter referred to as the "Minimum Deposit").
- d. The Minimum Deposit may be divided into several separate payments. Deposits received during the Campaign Period into a particular Smart Deposit asset account that, in aggregate, meet the Minimum Deposit requirement in the relevant Smart Deposit asset account will be counted towards the Campaign.
- e. The Minimum Deposit in the Client's Smart Deposit account must be credited no later than the last day of the Campaign, i.e. 31.10.2023.

Amount and application of discount:

- Clients who meet the above conditions will have 50% of the Net Deposits received during the Campaign Period in the relevant Smart Deposit Property Account managed free of Portfolio Management Fee during the period from 1.11.2023 to 31.10.2024. For the purposes of applying the discount, "Net Deposits" shall be deemed to be all deposits received into a particular Smart Deposit asset account during the Campaign Period, less any withdrawals made in that Smart Deposit asset account during the Campaign Period.
- The discount will be applied after the Campaign ends no later than the 10th business day of the following calendar month.
 - The discount is non-transferable.

Finax reserves the right to refuse to grant the discount or subsequently cancel the discount in the event that the client fails or ceases to meet the above conditions as well as in the event that the client makes a total sale on the account on which the discount is applied. Only the discount(s) linked to the asset account from which the total sale is made will be cancelled by the divestment. If the client has other property accounts where a different discount has been applied, the withdrawal from the Smart Deposit account will not affect these other discounts in the other property accounts.

This public promise is valid from 1 October to 30 October 2023 and is available on the website www.finax.eu and at Finax's registered office.

Finax reserves the right to amend this public pledge. It will publish changes to and cancellation of the Public Pledge on its website www.finax.eu and at Finax's registered office.
