7. Commissions paid to agents and financial institutions

Finax pays a commission to agents and financial institutions from portfolio management fee, in case when the financial agent is able to demonstrate an increase in the quality of the services provided to the client by the Broker. The amount of the commission depends on the number of services increasing the quality of the services provided by the Broker. The average commission for the independent financial agent, tied financial agent and financial institution for the provision of two additional services is 25% of ongoing portfolio management fee, for the provision of three services is a commission of 35%, and a commission of 40% is provided for the provision of at least four services. The commission for tied financial agent for the provision of two additional services is 20% of ongoing portfolio management fee, for the provision of three services is a commission of 30% and for provision of at least four services is a commission of 40%. The commission of the independent financial agent, tied investment agent and financial institution for the services referred to in Article 3 is 40% for the provision

of two additional services by the financial agent. The remuneration of the tied financial agent for the services referred to in Article 3 is 30% for the provision of two additional services by the tied financial agent. The exact commission amount is quoted in regular statements that the Broker provides to its clients.

8. Common provisions

Prices for other services not listed in the Price List, are negotiated individually. Finax reserves the right to agree with the Client on the individual amount of the charge specified in items 1., 2. and 3. of this Price List.

Investment advisory fees from the agent or financial institution can be deducted directly from Client's investment account in Finax.

The Portfolio Management Fee is calculated from the average volume of securities and funds held by the Client within the particular month. The charge for managing the portfolio is paid monthly on the last day of the month.

Finax will charge a fee for payment pairing without identification only after several requests that the client set up a transfer order in their bank correctly, so it is possible to identify which account should the payment be paired with.

Finax reserves the right to change the Price List. This Price List is effective on the date of signature of the Agreement between the Client and Finax, o.c.p., a.s. or in accordance with the General Terms and Conditions in the event of a change in the Price List.
